10<sup>th</sup> August 2010

**Merwe van Rensburg**

**Captain: 2010 Protea Muzzle Loading Team to the MLAIC World Championships**

Dear Merwe

On behalf of the members of the Cape Town Muzzle Loaders Association I wish to convey to you and the team members our very best wishes for a wonderful shoot in Portugal next week.

As always, it is both a privilege and a joy to be able to compete at a MLAIC meeting and to be ambassadors for our sport in South Africa in a world championship event. We wish you well in this venture.

Those of us who have been blessed by being able to represent our country in past such events have an inkling of the wonderful time that you all will have in this International forum of historical arms shooters. It will also afford team members the opportunity for forging new and special friendships that will hopefully enable you to bring foreign shooters to our country in future and allow them to experience the unique camaraderie and magic of a South African black powder match.

To the team, our sincerest wishes for a wonderful trip to Portugal, the very best and amazing good luck and good fortune for you all in the company of the most accomplished shooters in the world.

As with the Olympic Games, a MLAIC match is not so much about winning as it is in taking part. We know that all the team members will do their very best and fly the flag well for SA, both on and off the range.

Bon Voyage to you all and please convey our friendship and goodwill to all in the MLAIC.

With our warmest good wishes and shooters greetings,

Sincerely

John Austin: Cape Town Muzzle Loaders Association
